

MANIFESTO DOS DOCENTES DA UFRRJ

O corpo docente da UFRRJ vive momentos de incerteza, insegurança e desconfiança ao presenciar a demissão do Professor Colaborador WALTER MOTTA FERREIRA do Instituto de Zootecnia, por razões que absolutamente não foram esclarecidas, apesar dos reiterados esforços realizados pela Diretoria e Conselho de Representantes da ADUR-RJ junto a administração da Universidade, conforme relato em seu Boletim.

Em pleno período letivo, responsável por disciplina lecionada regular e eficientemente, o referido professor foi demitido por motivos fúteis, que, ou revelam atitude arbitrária, ou na realidade, procuram esconder justificativas inconfessáveis, que infelizmente não são do conhecimento público.

A demissão, se baseada em indisciplina, fere o próprio Código Disciplinar da UFRRJ que no seu artigo 6º prescreve: "Nenhuma penalidade será aplicada sem que seja assegurada antes, ao acusado, o mais amplo direito de defesa, que o exercerá pessoalmente, por seu representante legal, ou procurador".

Razões de natureza econômica como medida de contenção de despesas são igualmente insustentáveis e só podem ser interpretadas como um pretexto, uma vez que outros "docentes" têm sido simultaneamente contratados, nem sempre para atender a necessidades prementes de lecionação.

O que mais estarrece o corpo docente da UFRRJ é a ausência de esclarecimento, a falta de diálogo, a indefinição de responsabilidade. Não se administra uma UNIVERSIDADE à revelia de seu corpo docente. Não se atua em ensino, pesquisa e extensão, sem programas, sem critérios, sem previsões. Uma UNIVERSIDADE se administra democraticamente, com a participação de seu corpo docente, que hoje, composta em sua maioria de Professores Colaboradores não tem segurança quanto ao futuro de seus dias e de seus programas de trabalho.

No caso específico do Professor WALTER MOTTA FERREIRA, a Diretoria da ADUR-RJ e seu Conselho de Representantes repudiaram sua demissão sumária e reinvidicaram sem sucesso junto a administração da UFRRJ a sustação da referida demissão e a apuração dos fatos.

Manifestamos mais uma vez nosso veemente protesto, a apelamos à instância superior para que tais medidas sejam atendidas, promovendo-se a reintegração imediata do Professor WALTER até que os fatos sejam apurados, assegurando ao acusado "o mais amplo direito de defesa" como determina o artigo 6º do Código Disciplinar da UFRRJ.

Os abaixo assinados estão manifestamente dispostos ao diálogo, mas não aceitarão o arbítrio e a prepotência, e lutarão até as últimas consequências em defesa dos direitos democráticos de sua comunidade universitária.
